

## JOB POSTING

The Plant Pathology Department is looking as of now for summer semester 2022

- A research assistant (WHF/WHK) for 4 months (9h a week) starting as soon as possible for the study program „crop sciences“.

Requirements are:

- Relevant laboratory experience
- High motivation and willingness to learn

Interested parties first receive an introduction to the project and the methods that will be used in the laboratory.

You should have worked in the field of molecular biology and like working with plants.

If you are interested in the position please send your short application with CV to the following e-mail address: [pflanzenkrankheiten@uni-bonn.de](mailto:pflanzenkrankheiten@uni-bonn.de)
