JOB POSTING

The Plant Pathology Department is looking for the upcoming summer semester 2023 for

- **2 research assistants (WHK) for 6 months (9 hours per week)**

You study agricultural sciences or biology and you are interested in getting involved in laboratory work?

Requirements are:

- **Relevant laboratory experience**
- **High motivation and willingness to learn**

Interested parties first receive an introduction to the project and the methods that will be used in the laboratory.

You should have worked in the field of molecular biology and like working with plants.

If you are interested in the position please send your short application with CV to the following e-mail address: Djamei@uni-bonn.de
